

Simple human translation.

Based in Tokyo!

The language barrier

slows down your business, and stops you achieving results.

But what are the real options?

Machine translation is terrible, and professional translators charge too much to be used every day.

Try myGengo.com

We make it easy to order low-cost, fast, good-quality translation.

It's so simple and affordable that you can use us every day.

We translate Japanese, English, Chinese and Spanish.

Customers use us for:

- Business & informal emails
- Website localization & Blog posts
- Reading news and current affairs
- iPhone apps
- CVs and job descriptions
- Overspill of internal translation work
- E-commerce & auctions
- ...and more

We offer three service levels. One is right for you:

Standard

Human translation by a native speaker. For everyday use. Our #1 service.

\$0.05 /word - \$0.03 /Japanese character

70%
cheaper than
traditional
agencies

Pro

Professional translation. For publishing and formal use.

\$0.10 /word - \$0.06 /Japanese character

Ultra

Pro service + extra proofreading. For ultimate quality.

\$0.15 /word - \$0.09 /Japanese character

Fast.

80% of Standard jobs are done within 8 hours.

Jobs under 250 words are normally completed in 4 hours.

99% of all Standard jobs are finished within 21 hours.

Dependable.

All our translators are pre-tested by us to ensure quality.
